2.

- added text alternative description for team logo (in .html file);
- The other accessibility is "Operable user interface and navigation", and I already did that by providing easily navigation bar so that users can easily navigate, find content, and determine where they are;

CSGO Teams

This is the homepage for CSGO teams.

- › Team Liquid
- › Astralis
- › NRG eSports
- › Vitality
- › AVANGAR
- › mousesports
- › ENCE eSports
